**GLOBAL NOTES REGARDING THE DEBTOR’S SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (the “Schedules”) and the Statement of Financial Affairs (the “Statement,” and collectively with the Schedules, the “Schedules and Statement”) filed by Atinum MidCon I, LLC (“Atinum” or the “Debtor”) in the United States Bankruptcy Court for the Southern District of Texas, were prepared pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the management and counsel of the Debtor and are unaudited. While the Debtor’s management has made every reasonable effort to ensure that the Schedules and Statement are accurate and complete, based upon information that was available to them at the time of preparation, the subsequent receipt of information may result in material changes to the financial data and other information contained therein. The Debtor reserves the right to amend the Schedules and Statement from time to time as may be necessary or appropriate. These Global Notes Regarding Debtor’s Schedules of Assets and Liabilities and Statement of Financial Affairs (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statement, and should be referred to and reviewed in connection with any review of the Schedules and Statement.

The Schedules and Statement and Global Notes should not be relied upon by any person for information relating to current or future financial conditions, events or performance of the Debtor. Due to potential unliquidated, contingent and/or disputed claims, summary statistics in the Schedules, Statement and Global Notes may understate the Debtor’s liabilities.

1. Reservation of Rights. The Schedules and Statement are unaudited and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”). Although current management has made reasonable efforts to insure that the Schedules and Statement are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to the Schedules and Statement; indeed, inadvertent errors, omissions or inaccuracies may exist. Moreover, because the Schedules and Statement contain unaudited information, there can be no assurance that the Schedules and Statement are wholly accurate and complete. The Debtor reserves the right to amend and/or supplement the Schedules and Statement from time to time as it deems necessary and appropriate.

2. Description of the Case and “as of” Information Date. On July 22, 2016 (the “Petition Date”), the Debtor filed a voluntary petition for relief pursuant to chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) commencing this Chapter 11 Case. A description of the Debtor’s assets, activities, and operations as well as the events precipitating and the purpose of the Debtor’s bankruptcy proceeding is set forth in the *Debtor’s Motion Pursuant To 11 U.S.C. §§ 105, 363, And 365 And Bankruptcy Rules 2002, 6004, And 6006 To Authorize And Approve The (I) Bidding Procedures, (II) Procedures For Determining Cure Amounts For Executory Contracts And Unexpired Leases, (III) Notices Relating To The Sale Of The Debtor’s Assets And The Assumption And Assignment Of Executory Contracts, (IV) Approval Of The Proposed Sale Of Assets And Scheduling Of A Hearing On Approval Of The Proposed Sale Of Assets, And (V) Granting Related Relief* (the “Sale Motion”), located at ECF No. 4, pp. 2-13 (the “Background Section”).

The Debtor continues to operate its business as a debtor-in-possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. To date, the U.S. Trustee has not appointed an official committee of unsecured creditors and, on July 28, 2016, the U. S. Trustee filed a Report of Inability to Appoint a Creditors’ Committee (ECF No. 19). No request has been made for the appointment of a trustee or an examiner.

Unless otherwise stated, asset and liability information is as of the Petition Date. Additionally, the Debtor has made efforts to allocate liabilities between the prepetition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statement. As additional information becomes available to and further research is conducted by the Debtor, the Debtor’s allocation of liabilities between prepetition and post-petition periods may change.

3. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtor in the preparation of the Schedules and Statement:

- a. Book Value. Unless otherwise noted, each asset and liability of the Debtor is shown on the basis of the book value of the asset or liability in accordance with the Debtor’s accounting and/or tax books and records as of the Petition Date. Unless otherwise noted, the Schedules reflects the carrying value of the assets and liabilities as listed in the Debtor’s books, and are not based upon any estimate of their current market values.
- b. Cash. Cash balances in the Debtor’s bank account set forth in Schedule A/B of the Schedules are based on the ledger balance as of the Petition Date.
- c. Currency. All amounts are reflected in U.S. Dollars.
- d. Goodwill. As of the Petition Date, the Debtor did not have any goodwill.
- e. Deferred Finance Costs. The Debtor capitalizes financing costs associated with the acquisition of debt. The financing costs are amortized over the finite life of the underlying debt instrument.

- f. Litigation. The Debtor has listed in Schedule E/F all known claimants related to any pending or threatened litigation action as contingent, disputed and unliquidated with unknown amounts. Although claim amounts were not estimated, allowed claims, if any, for these claimants could potentially be substantial. Any information contained in Schedule E/F with respect to potential litigation shall not be a binding representation of the Debtor's liabilities with respect to any of the potential suits and proceedings included therein.
- g. Secured Claims. Except as otherwise agreed pursuant to a stipulation or agreed order or order entered by the Bankruptcy Court, the Debtor reserve its rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed in any of the Schedules or Statement. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, except as otherwise agreed pursuant to a stipulation or agreed order or order entered by the Bankruptcy Court, the Debtor reserves all rights to dispute or challenge the secured nature of any creditor's claim (including claims of other creditors listed on Schedule E but purporting to have secured claims) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. Furthermore, any deficiency claim of the Prepetition First Lien Lenders was not listed on Schedule E/F and such omission is not an admission by the Debtor as to the sufficiency of collateral related to any secured claim listed on Schedule D. The descriptions provided in Schedule D and (in the case of the Prepetition Second Lien Lenders) Schedule E are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statement shall be deemed a modification or interpretation of the terms of such agreements.
- h. Executory Contracts. While every effort has been made to ensure the completeness and accuracy of the listing of executory contracts, inadvertent errors or omissions may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G (including the contracts, agreements, or leases incorporated therein by reference) and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppels certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the executory agreements may not have been memorialized and could be subject to dispute. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Similarly, the absence of a contract or agreement on Schedule G does not constitute an admission that any other contract or agreement to which a Debtor is a party is not executory. The Debtor reserve all of its rights, claims and causes of action with respect to the contracts and agreements listed on

the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

4. Disputed, Contingent and/or Unliquidated Claims. Schedules D and E/F permit the Debtor to designate a claim as disputed, contingent, unliquidated and/or subject to setoff. A failure to designate a claim on any of the Schedules as disputed, contingent, unliquidated and/or subject to setoff does not constitute an admission that such claim is not subject to objection by the Debtor. The Debtor reserves the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability or status.

5. Schedule A/B Part 9-55. The Debtor has scheduled its ownership interest in various oil and gas leases and wells in Schedule A/B Part 9-55. At this time, the Debtor is unable to assign specific value to individual leases and wells. Accordingly, the aggregate value listed covers all oil and gas assets owned by the Debtor.

6. Global Notes Control. In the event that the Schedules and Statement differ from the foregoing Global Notes, the Global Notes shall control.
